**WARNING:**  
 Contractors, subcontractors, vendors and suppliers are advised that the contract documents (including but not limited to the contract, specifications, drawings, addenda, pre-bid questions, and change orders) are the contract documents. Documents reproduced by parties other than Engineers, Architects, and Surveyors are not part of the contract documents. The contractor, subcontractor, and supplier are solely responsible for verification that information utilized in bidding, procurement, and construction of facility are identical to contract documents. Misrepresentation of shop drawings and construction of facility are prohibited by contract documents.
